

**Dentist & Team  
Program**

# Obstructive Sleep Apnea

With  
Dr. Steven Greenman

**Session 1: January 13-14**

Attendees will gain the knowledge, skills and technology to begin treating patients immediately.

**Session 2: February 10-11**

Attendees will gain the knowledge to build a robust Dental Sleep Medicine Practice that is 95% delegated to a team. We will cover how the medical billing system works and the team will learn how rewarding and fun treating this serious problem can be.

**Tuition 32 CEU's**

**\$1,995**

(Includes Dr. & two non-dentist team members)
